I LIQ CHUAN

JANUARY 31st 2010

Grandmaster Sam F.S. Chin will reveal the inner workings behind the powerful applications of all internal arts.

Discover I Liq Chuan, an exceptional system of sparring, fighting, exercises and form—all *intrinsically connected and directly related to one another.*

A system that can help you realize the explosive force and release of power available within your body—*profoundly intensifying the impact of your strike, throw and push.*

No mysticism, no ambiguities, no unrealistic claims—just clear and direct scientifically grounded explanations transmitted in plain language.

Suspend your disbelief and join us on Sunday, January 31st:

I Liq Chuan is a lethal Martial Art that has proven itself in real life combat situations, in former-times and in the modern world; in the ring, against street-fighters and professional Martial Artists.

Grandmaster Sam F.S. Chin demonstrates skill not seen since before our time—*watch and feel* it first-hand, ask questions and receive real answers.

You will learn how to:

Meet your opponent's force in all three planes of human movement.

Flow with your opponent's energy to develop listening power.

Fend your opponent's energy to meet the force in order to defend.

Neutralize an opponent's force and penetrate the spheres of their defense.
